

## Conditions of participation for regatta events on the beaches of Terschelling

To participate all pilots must have:

1. Valid pilot license of a FISLY association

2. International FISLY ID/License

If you have not registered yet, you can do it here:

<http://www.fisly.org/include/index.php?id=611>

3. Valid liability insurance, which clearly includes the guiding of beach sailors, also in regatta events up to a sail area of 15 square meters

4. Valid technical test plate on the right side of the sailboat

Consequences:

Pilots who do not adhere to these regulations will be warned by the Technical Executive Board, in particularly serious cases, or in the event of a recurrence, by the regulatory authority (e.g. municipality) or the Race & Organization Board - depending on the seriousness of the incident. A temporary sailing ban can be pronounced at all time.

Parking:

There is a large parking area close to the beach entrance. Parking is only allowed in the designated area. There is absolutely no parking allowed in the path to the Lifeguard Building. It is not permitted to stay overnight on the designated parking area.

Sponsors & press:

The organization is allowed to make commercial commitments and publicity arrangements that will be supported by all participants. In case of conflicting personal sponsors, event sponsoring will overrule and be accepted.

Participants agree that their personal data will be stored, published and processed during the 2019 Euro Cup. In addition, they agree the use and publishing of photos and films, that maybe made of them during the European Championships 2019 by all organization and parties allowed by the organization such as sponsors or (local) government,

Pilots also agree that their registration will be published on the website [www.eclandyachting.nl](http://www.eclandyachting.nl)
